<https://goo.gl/forms/IBi6ak72popCc8VD2>

### **Remarks:**

- Priority would be given to members of HKIES and supporting organizations.
- Participants with over 90% attendance and pass the classwork would be awarded a HKIES Attendance Certificate, and a free ticket for HKIES BIM Level 1 Examination of relevant software.

**Deadline for enrollment: 28 December 2018**, please register before the deadline.

### **About HKIES Accredited BIM Training:**

Development Bureau, HKSARG, has announced the adoption of Building Information Modelling (BIM) for Capital Works Projects in Hong Kong from 01-Jan-2018. HKIES would then organise series of Accredited BIM Trainings for members and engineering surveyors who would like to understand BIM theories and use the BIM models to support daily decision making.

D-Reality Consultancy Limited (D-Reality) is the authorized training partner of HKIES.

### **Course outline:**

1. Introduction of BIM
2. View control & user interfaces
3. Datum: grid & level
4. Family category & types
5. Architectural components: walls, floors, doors & windows
6. Schedule & drawings sheet
7. Classwork

All members and guests are welcome, and the number of participants is limited. Participants will be accepted on a first come first served basis. For enquiries, please call 5625 2312 or email to: [drcl.info@gmail.com](mailto:drcl.info@gmail.com)

**Disclaimer:** The Organizer(s) have not arranged any insurance coverage for any participants on any personal accident, property loss/damage or virus inflection arising from this CPD function. Participants should make their own insurance arrangement at their expenses. We reserve the right to change the date and venue at any time without prior notice.
