CPD Seminar
[Direct Progression Arrangement among HKIES and RICS]

For promoting the engineering surveying profession in Hong Kong and worldwide, a direct progression arrangement among **The Hong Kong Institution of Engineering Surveyors (HKIES)** and **The Royal Institution of Chartered Surveyors (RICS)** have been agreed.

In this seminar, the background of this arrangement and the latest situation of the industry would be reviewed. Representatives from HKIES and RICS would discuss about the details of the arrangement, conditions and requirements applicants need to take into account, benefits to members, and the positive impact to our industry.

For a better understanding of the status and value of your memberships for both HKIES and RICS, and also the Chartered Membership application procedure, members of HKIES and RICS (Geomatics) are cordially invited to attend this CPD seminar, with details shown below:
